 - Minimum 3 and maximum 6 host country teams
 - Minimum 23 and maximum 26 foreign teams
- Maximum 3 Wild Card teams

2.2 COUNTRY QUOTA

Country Quota limitations may be voided in case the roster of teams registered for the event or present during the Preliminary Inquiries/Technical Meetings is not complete.

2.3 REGISTRATION DEADLINE & ALLOCATION OF TEAMS

The registration deadline for the 2019 CEV Beach Volleyball European Championship is set to **Monday, 17 of June by 12:00 (Lux time)**.

Teams will be allocated in the Main Draw and Reserve List of the competition according to the CEV Entry Ranking on the day of the registration deadline taking into consideration the Country Quota rules.

When two or more Teams have the same amount of points in the CEV Entry Ranking, the order of Teams is established as per the condition set in the CEV Beach Volleyball Competition Regulations.

2.4 SEEDING

A drawing of lots **on Wednesday 19 of June 2019**, will determine the seeding within the pools for the Pool play format phase according to the CEV Entry Ranking of 17th of June, following the below table:

Pool A	Pool B	Pool C	Pool D	Pool E	Pool F	Pool G	Pool H
Seed #1	Seed #2	Seed #3	Seed #4	Seed #5	Seed #6	Seed #7	Seed #8
Draw 2 between Seed #13 - #16				Draw 1 between Seed #9 - #12			
Draw 3 between Seed #17 - #20				Draw 4 between Seed #21 - #24			
Draw 5 between Seed #25 - #32							

If the hosting National Federation has no team among the top 8 seeded teams, the best-ranked team of the Federation will be allocated to Seed 8 in order to help the promotion of the competition; if the best hosting National Federation ranked team is among the top 8, the team retains its position.

Host Country teams must never be placed in the same pool. These team(s) will have their seed increased (i.e. from Seed #15 to Seed #16) until they are in a different pool than already seeded Host Country teams. Should increasing the seed not work (or not be possible), then the seed will be reduced (i.e. from Seed #32 to Seed #31) until the team(s) is placed in a different pool.

For foreign teams from the same National Federation a maximum of 2 teams can be placed in the same pool. In case a 3rd team is drawn in the same pool, the team will have its seed increased until it is in a different pool than the first 2 teams. Should increasing the seed not work (or not be possible), then the seed will be reduced until the team(s) is placed in a different pool.

2.5 REGISTRATION OF TEAMS AND ATHLETES

The National Federations have to register their teams through the Volleyball Information System (VIS - www.fivb.org → Login) prior to the registration deadline, which is a pre-condition to be tentatively admitted to any Beach Volleyball competitions officially recognised by the CEV. The CEV Beach Volleyball Guidelines contain the details of the registration procedure.

Once the aforementioned condition is fulfilled, the National Federation (exclusively) is required to comply with the following procedures in order to complete the registration of its athletes in the competition:

- Upload to the [VIS2009 system](#) the completed and signed by each athlete and his/her National Federation CEV Player's Commitment and Health Certificate form. This form must be uploaded in the Volleyball Information System **the latest on the registration deadline date** and has to be submitted only once per athlete per season.
- Ensure that each athlete has completed the [FIVB anti-doping Education and Certification programme "Play Clean"](#).

2.6 SUBSTITUTION OF AN ATHLETE

Before the registration deadline, a National Federation may substitute an athlete from a team through the VIS from any CEV competition, without any consequences.

After the Registration deadline, a National Federation may substitute only one athlete per team from a CEV competition in case of injury/medical reason or "force majeure" through the CEV BV-03 form; respective proof or documentation must be presented to the CEV.

In case of such substitution, the new team's CEV Entry Ranking points as of 17th of June are taken into consideration for the new team's entry. The new team is then placed into the Main Draw or Reserve List accordingly.

In case of a replacement of an athlete after the pool seeding, the new team's CEV Entry Ranking points as of 17th of June are taken into consideration for the new team's entry. The new team is then placed into the Main Draw or Reserve List accordingly:

- In case the team remains in the Main Draw, the position in the pool will be maintained.
- In case the team moves to the Reserve List, the next team on the Reserve List (considering country quota limitations) becomes eligible to enter the Main Draw in the vacant position in the pool, regardless of the number of same NFs in the pool.

2.7 WITHDRAWAL

Before the registration deadline, a National Federation may withdraw a team from a CEV competition, without any consequences.

After the registration deadline, a National Federation may withdraw a team from the competition in case of injury/medical reason or "force majeure" through the CEV BV-03 form; respective proof or documentation must be presented to the CEV. In such case, the next team on the Reserve List (considering country quota limitations) becomes eligible to enter in the Main Draw.

In case of a withdrawal of a team after the pool seeding the next team on the Reserve List (considering country quota limitations) becomes eligible to enter in the Main Draw in the vacant position in the pool, irrespective of the quotas limitation considered during the seeding of the teams in the drawing of lots.

2.8 WILD CARDS

CEV has the right to grant up to 3 Wild Cards per gender upon request of National Federations or upon its own initiative. The National Federations may present their request for Wild Cards to the CEV Office at the latest by the registration deadline day and time using the BV-02 form.

The allocation of Wild Cards will be circulated through the event's Confirmed Lists. For every unused Wild Card, the spot to the Main Draw will be awarded to the next eligible team according to the CEV Entry Ranking.

In case of changes to the composition of a team receiving a wild card, this is not transferable to the new team unless approved by CEV. If not approved, the new team will be placed into the Main Draw/ Reserve List according to the new team's CEV Entry Ranking points as of 17th of June.

Wild Cards are not taken into consideration for the Country Quota.
